

Dogwood Bridge & Road Construction & Closure

Concerning our bridge replacement project on Dogwood Road (Bridge B-0347) located about a half mile east of the intersection with Hollifield Road. The bridge will be closed to thru traffic on or about July 2, 2018. We anticipate completing the bridge replacement project and reopening Dogwood Road to traffic in early 2019 (an exact date is temperature/weather dependent).

During construction, the bridge will be closed to thru traffic with a posted detour route. The posted detour will include the following routes:

- *Ridge Road between Dogwood Road and Old Court
- *Windsor Mill Road between Rolling Road and Old Court
- *Hollifield Road between Johnnycake Road and Dogwood Road
- *Johnnycake Road between Hollifield Road and Rolling Road
- *Dogwood Road between the detour at Hollifield and Old Court Road

Please know that we appreciate the public's patience while we complete this needed bridge replacement project. Should there be any further questions please advise us.
